Founded in 1989, Miami Light Project is a not-for-profit cultural organization which presents live performances by innovative music, theater and dance artists. Here are two tickets to see Melbourne, Australia-based dancer choreographer Ros Warby who will perform her critically acclaimed solo, Monumental which premiered at the Melbourne International Arts festival in 2006. This work features Warby's striking blend of classical technique and structured improvisation against a 'moving set' of magnified photos and film footage. The tickets are good for two to the performance on April 24 or 25, 2009 at the Adrienne Arsht Center for the Performing Arts and you must call no later than March 15, 2009 to validate your tickets.
